Good Design Australia

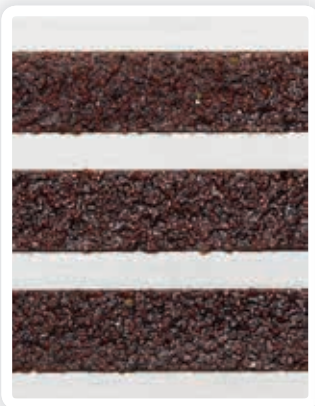

Filled with slip resistant Suregrip and Supagrit silicon carbide mineral granules for heavy and light duty applications.

Asbraloy Aluminium Suregrip: standard infill colour is sparkling black. Optional Supagrit infill colours available at extra cost (batch colours may vary and amber).

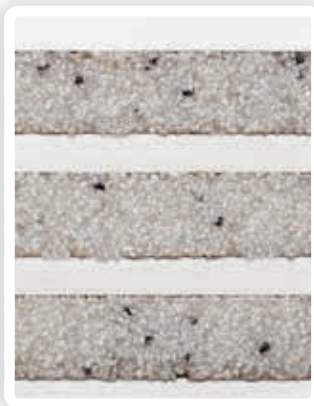

Each sample shown below indicates the approximate colour and the Dry Luminous Reflective Value (LRV) for the Latham Asbraloy and Full Abrasive infill, tested in accordance with AS 1428.1.2009. Further details relating to visual contrast and compliance can be found on pages 79 to 82 of this publication.
